PROFILE

Energetic and dedicated Frontend Developer with 2 years of experience building responsive and user-focused web applications using React, Next.js, and Tailwind CSS. Successfully developed dynamic user interfaces and implemented modern features like server-side rendering and advanced API integrations. Highly motivated to continuously improve skills, with a strong emphasis on teamwork, clean code, and performance optimization. Proficient in React, JavaScript, TypeScript and excellent communication skills.

WORK EXPERIENCE

Europrofil

2023 - PRESENT

Frontend Developer

- Developed and maintained responsive web interfaces using React and Next.js.
- Collaborated with backend developers to integrate RESTful APIs and ensure seamless data flow.
- Participated in team code reviews.
- Implemented a custom filtering and sorting system, enhancing data accessibility for users.

Backend:

- Developed basic CRUD operations using Nest.js.
- Utilized Prisma ORM for working with databases.
- Implemented functionality for uploading multiple images to the server using Node.js and Multer.
