EXPERIENCE

Frontend Developer
04/2023 - Present
Remote

Europrofil

- Developed and maintained responsive web interfaces using React and Next.js
- Collaborated with backend developers to integrate RESTful APIs and ensure seamless data flow
- Participated in team code reviews
- Implemented a custom filtering and sorting system, enhancing data accessibility for users
- Developed basic CRUD operations using Nest.js
- Utilized Prisma ORM for working with databases
- Implemented functionality for uploading multiple images to the server using Node.js and Multer

INTERNSHIP

Completed internship program at Manage IT company
03/2023 - 11/2024

Manage IT

During my internship at Manage IT, I had the opportunity to work on real-world projects, focusing on frontend development with React and Next.js. I collaborated with the team to improve data handling and optimize application performance. My role also involved working with APIs to ensure efficient communication between frontend and backend systems. This experience significantly enhanced my problem-solving skills and deepened my understanding of frontend development.

EDUCATION

Majoring in Programming and Software Engineering
10/2024 - Present

Pan-european university Apeiron
Banja Luka, Bosnia and Herzegovina

- Enrolled in university, majoring in Programming and Software Engineering

SKILLS

JAVASCRIPT	5	●●●●●	NEXT JS	4	●●●●○
REACT JS	4	●●●●○	TAILWIND CSS	4	●●●●○
TYPESCRIPT	3	●●●○○	RESTFUL API	3	●●●○○

SUMMARY

Energetic and dedicated Frontend Developer with 2.5 years of experience building responsive and user-focused web applications using React, Next.js, and Tailwind CSS. Successfully developed dynamic user interfaces and implemented modern features like server-side rendering and advanced API integrations. Highly motivated to continuously improve skills, with a strong emphasis on teamwork, clean code, and performance optimization. Proficient in React, JavaScript, TypeScript and excellent communication skills.

TRAINING / COURSES

Certified JavaScript Frontend
IT ACADEMY

KEY ACHIEVEMENTS

💎 **Founded and Led the "Programming Buddies" Discord Community**

I created and managed a Discord community called *Programming Buddies*, which grew to around 100 members. Within this group, we worked in teams on various projects, practiced coding exercises, and learned together. This initiative fostered collaboration, knowledge sharing, and skill development among aspiring developers.
